Combination Team Participation (COMBO Teams)

- Allows schools with a small number of participants to have their own team at their school, and still have an option to participate in Team Events
- The small school requests to participate with another high school, only for competing in team event(s).
- For Team events where the applying school does not have enough athletes to field a team in that event

COMBO Teams (cont.)

- Only Schools may apply for COMBO Teams, not families or individuals
- Recruitment of athletes is to be strongly discouraged; any applications with that intent will be denied
- Each application evaluated and voted on based on individual merit
- Approved COMBO Teams are for current season only

COMBO Teams (cont.)

- Applying school team – 3 athletes or less
- Sponsoring school team – no size limit
- Applying schools request a COMBO Team with the nearest school in their OHSET district with an OHSET Team (Form on line)
- Advisor/Head Coach signs off for each school
- Approval at District level; notification to State Board

COMBO Teams (cont.)

- No restrictions on State Championship or PNWIC participation
- Points are awarded equally to both combination teams
- COMBO Teams may compete in their respective schools' uniform/colors, with their unique athlete number
- If Alternates are used, both COMBO team schools make up the alternate school

COMBO Teams (cont.)

- All requests and approvals must happen between October 1st and January 31st of any one competition season
