Note from the Judges' Chair

Hello,

As we head into another year of OHSET, I would like to encourage all current judges, as well as those new to our program to attend this year's clinic. As you know our program continues to evolve and change so it is vital that we as judges stay current on OHSET philosophies and rules.

The Judges committee has made some changes to the format of the clinic this year so we will have more time to spend on training and demonstrations. Changes include having patterns set prior to arrival so we will be able to see rider demonstrations at the clinic. There will also be rider demonstrations of Drill and Gaming.

I look forward to seeing you all there, and to another successful year in OHSET

JoAnn

Judge's Registration

Friday & Saturday is **ONLY** open to current or currently apprenticing OHSET judges.
