

OHSET State Board Minutes, Friday May 14, 2010 at State Championship Meet

In Attendance: Pam Steinke, Anne Geser (Central), Jim Roper (Southern), Phil Armstrong (Northeast), Ray Hickman, Denise John (Willamette), Dawn Keeney (South Valley), Don Pack (North Valley), Karissa Dishon (State Vice Chair), Candi Bothum (State Chair), Debi Ferrer (State Secretary)

Candi called this meeting because of some uncertainty about how team points are calculated at the State Championships. According to our Rule Book (7.212 and 7.213), at the District level in team events, if a school has more than one team participating in an event, only the top placing team will earn points toward the school's total. There is no such rule regarding the State Championship Meet. Discussion:

- Denise said all rides here should count as these are all varsity rides for State.
- Phil said a precedent has been set in the past to have all points count toward school point totals at the State meet.
- Jim said we already have a rule about how to qualify for the State Championships, so we need to add something to it that says that all points earned by any team from the same school count toward team and district high point awards. This should probably go in the section of the Rule Book about State Championship.
- **The consensus was that this is the way it has always been and this is the way we want to keep it. We'll go with it this way for this meet and add it into the rule book for next year.**
