- *Outside events on Sunday will Pole Bending, Figure 8 and Keyhole

*Schedule out soon

*Will be breaking up gaming to make sure there is enough time for awards, awards should be 30 minutes after last event. Awards are going to be awarded for first, second and third place.

1-Buckles 2-Coolers 3-Hay Bag

*Heather has requested for the team events that one of the judges does the timing part. It is difficult for a volunteer to jump into that. Where we do need volunteer timers please make sure it is someone who has done it before and is available for entire event.

*The Dalles and Redmond have both offered to bring quads with drags. This is very appreciated but if we use the drags it needs to be done a lot quicker, took too much time last meet. We will use a combination of the quads and rakers.

*Redmond has concerns with timing in between Versatility and Drill Team. There should be about an hour in between events, hopefully this is enough. Will make sure they have enough time so anyone that wants to do versatility can do it.

* Bend High has made a request to be placed towards the end of Versatility this meet because of a scheduling issue.

*We will have a dessert auction on Saturday night between penning rounds. All teams should bring one dessert to auction off and raise money for the district.

*combine team efforts to make nice dessert or cookie tray to auction off – more unique the better

*might get donation from bakery – fun cake?

State

*We are providing greeters for State so we will need kids to sign up. We will need them for Wednesday in the afternoon and pretty much all day on Thursday.

*The next State board meeting will be April 21st if anyone like to attend.

***TACK SALE** Heather will be getting the flyer out soon.

Other business

*PNWIC rules will be different because we will be going to Washington so please let your athletes know and that there will be vet requirements **check all of this closely.**

*Denise has not been getting financials turned in on time. If you cannot be punctual on this Candi will be taking over your accounts!!!!

*Versatility is still a work in progress so any input is greatly appreciated.

*Next year's training dates for coaches and advisors will hopefully be out sooner than later.
