Note from the Judges' Chair

Hello, I am the new OHSET Judges' Chair beginning the 2008-09 season. Most of you already know me, and for those who do not, I am looking forward to meeting and working with you. I will work hard to keep up the communication and program that has been accomplished by those who have occupied this job before me.

I invite you to share your knowledge and expertise at this clinic. In the past, I think the OHSET judges have worked tremendously well with one another. I hope in this coming year, I will be able to help us all stay informed. If you have any concerns or ideas, please do not hesitate to pass them along to me.
