<b>Expectations:</b>				
This is a horsemanship class! Equine and athletes should be properly groomed as in a Showmanship Class				
Maneuvers should be crisp and practiced. Equine should show no resistance to handler during any maneuver and should appear as if not on a lead rope.				
Equine should move quickly, but maintain the superior ground manners that one would expect in a showmanship class.				
If bonus obstacle is not attempted, the athlete will back the equine over the start finish line in which case the next athlete may not begin until the previous ATHLETE is completely across the line. Also if the last equine of the team backs over the line, the time will stop when the nose of the equine crosses the line.				
Exhibitors and equines must enter and exit the course on the inside of the start finish poles. If athlete and/or equine crosses outside of the poles, the team will receive a No Time and only be eligible for participation points
